

# SAT Boot Camp!

## THE PATH TO COLLEGE SUCCESS STARTS HERE!

You have big college dreams, but the competition to get into the best universities is fierce!

Our SAT Boot Camp can help you get comfortable with the test questions and format, reduce stress, and feel confident on test day — and raise those crucial scores along the way! With our SAT Boot Camp, you will:

Practice the skills to raise scores in as little as three hours — you will be introduced to key skills tested on the SAT.

Feel confident and prepared on test day. You will learn effective test-taking strategies for all sections and subjects tested on the SAT.

Learn in ways that improve skill mastery. Our SAT tutors use a proven mix of activities to get concepts to click. We start with providing direct instruction to help students grasp concepts, skills, and strategies needed for test success. Then, they apply what they've learned to real test items.
