Dear Community Partner,

The athletes, coaching staff and parents of the Notre Dame High School football team need your support for our program. Community support from partners like you allows us to continue to provide a quality athletic program that fosters teamwork, responsibility, and exceptional work ethic in our student-athletes.

My student-athletes are spending long, hard hours practicing for the upcoming season. In addition to working on the X's and O's, our players are developing strength, speed, agility and endurance, while learning valuable lessons in the meaning of commitment and grit. This combination has been a key to our extraordinary success over the last several years, including a 2018 league championship last season. Your support will help lead us to a successful campaign in 2019.

In addition to the ordinary cost of running a successful program (equipment, insurance, facility rental, etc.), this year we need to raise funds for a special opportunity. For the first time in recent memory, our team will travel out of area to compete against San Joaquin Memorial High School, a perennial powerhouse from Fresno, CA. Our players have been invited to tour the campus of Fresno State and attend their football game the following day. We have never needed more support than we do now.

There are a number of ways to be a part of the Titan Football Family. We have many different sponsorship and donation packages available.

Thank you in advance for your consideration. If you have any questions or ideas, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'A. Huerta'.
